HIDDEN GEMS

Tarlair Outdoor Swimming Pool (AB44 1TA). One of only three known surviving sea-side outdoor swimming pool complexes in Scotland it has been disused since 1995 so is not suitable for swimming but has a beautiful walk and view.

Temple of Venus, an 18th century folly, is a domed arcaded rotunda standing on the Hill of Doune, with stunning views. Built for the Earl of Fife over-looking Duff House and Banff, the Earl's folly once housed a statue of the goddess Venus

Great views can be seen over the harbour and out to sea from the War Memorial on Knowes Hill (AB44 1XA)
