

APPLYING TO VACMA? MAKE SURE YOU:

UPDATE YOUR CV

ensure it is a professional artist/maker CV
and take out anything that isn't relevant

HAVE GOOD PHOTOGRAPHS

of your work — particularly recent work —
and carefully select images to back up your
application

LABEL YOUR SUPPORTING MATERIAL

and include an image list with dates and sizes

CHECK THAT YOU ARE ACCURATE

does your budget request match what you've
described in the application?

ASK A FRIEND

to check your application — is it easy to
understand what you do and is it clear what
support you're looking for? Ask someone who
doesn't know your practice to check over what
you've written
