

Summer Reading 2022 - Picture Competition for 3 to 5 years

This year's creative competition is linked to the Book of Deer returning to the North-East of Scotland for the first time in approximately 1000 years. Images and Doodles in the book reflect culture and society and can tell us a lot of what life was like in this area at that time.

You are invited to draw a picture of what life is like in Aberdeenshire in 2022, this can be a picture of your day to day life, what's outside, where you like to visit, it is your choice.

Name	
Address & Borrower Number, if known	
Age
