

## 4.16 Events

### 1. Changes from last issue

### 2. Objective

There will be instances where Aberdeenshire council's events team will deliver some additional activities such as body zorbing, BMX Track and climbing walls.

The LLO events team will be attending to set up equipment and manage activities

Members of the public may also be invited to attend these sessions so remember you are representing Aberdeenshire Council and therefore must make sure all staff and children act in a sensible and professional manner.

Tyvek wristbands or Tabards will be available for those attending camp to identify them from the public.

Make sure all children are Health and Safety briefed before commencing activities.

There will be a fair queuing system implemented to make sure all children including the general public are given fair access.
